OBJECTIVE

I am entering my third year of college as a highly motivated, non-traditional student seeking an entry level position relevant to my field of study. My goal is to gain real-life experience and to continue my education both in and out of the classroom.

EDUCATION

Computer Science/Applied Mathematics/CEX | Dakota State University

SUMMER 2016 – CURRENT

Anticipated Graduation: 08/01/20

GPA: 3.68

2017-2018 President's Academic Honors List

CEX student with aspirations to enter 4+1 Fast-Track Graduate Program for MSACS

EXPERIENCE

NOC Tech| Vast Broadband

07/09/18 – CURRENT

Responsible for timely repair coordination, event notifications, and escalations related to network outages, impairments or maintenance activities.

Use monitoring and troubleshooting tools to identify, isolate, and resolve events that may occur in the network.

Provide support for after-hours emergencies.

Table Games Dealer/Pit Boss | Deadwood Mountain Grand

03/25/16 – 06/30/18

Responsible for ensuring table games are played according to state and company policy.

Responsible for entering players information into the points system for accurate point distribution.
